

their basic knowledge and skills, preparing them for their next stage in their education.

children, unlocking the potential held in each individual.

recognised across the Multi Academy Trust for best practice.

In 2023 Braeburn will be a school with a culture of **high expectations** of all pupils and adults, where every interaction is rooted in positivity.

Vision 2023

In 2023, Braeburn will have a **core set of values** that we live by and hold dear. Where interactions around school are guided by these values and where the corridors and classrooms hold children and adults who are kind, honest, respectful and resilient individuals.

In 2023, Braeburn will have strong links in the community, working with a range of partners to ensure that the **very best opportunities** for our children are embraced and not missed.

Braeburn Primary Academy's purpose :
To develop and inspire children to become young people with self-belief who are fully equipped with skills, knowledge and experiences which enable them to thrive in the ever-changing demands which the future will hold.

In 2023, Braeburn will be a school where the provision for **personal development**, both physical and mental is **first class**. Where children are encouraged to be emotionally literate and have opportunity to develop character.

In 2023 Braeburn will have **Oracy at the heart of our curriculum**, with speech

High Intention,

In 2023 Braeburn will have a
