

Unlocking Autism for Parents

Assisting parental understanding of autism, communication and sensory needs.

Who is it for?

- Unlocking Autism is a free course for parents and carers of children and young people with communication and interaction needs. You must live in North Yorkshire or your child attend a North Yorkshire school to be eligible. Children do not need to have a diagnosis of autism in order for parents to attend.

What will I learn?

- The programme includes sessions on behaviour, emotional regulation, Communication, sensory differences and autism providing practical tools and strategies to support children and young people.

- This is an online course which consists of five sessions which either run over two full days or as five, 2 hour webinars. It is recommended that parents/carers complete all five sessions in order to derive maximum benefit from the programme.

How do I book?

- To book a place please use the following link: [Global Search | North Yorkshire Education Services \(nyestraining.co.uk\)](https://www.nyestraining.co.uk)
- You will need to register on the website first, and make sure you put parent in the job title/organisation boxes and 'attend training course' in reason section. Then you're all set up to go and book on to whichever course suits you best.
