

Our Reading Spine

The Braeburn Reading Spine

The Reading Spine shows which texts children should be striving to read during their time in their current year group. These books are to be kept in school to read in ERIC (everyone reading in class) time.

Texts are introduced gradually throughout the year by reading a small section of the text to the class each day. This is incorporated into our end of day reading time.

The purpose of the Reading Spine is to promote enjoyment of reading, allow children to read a variety of genres, widen pupils' vocabulary and allow children to explore a range of authors.
