How can I support my child with reading at home?

Choral Reading:  
Read at the same time as your child. This models how to read with expression and pace.

How?  
How to read a Little Wandle book at home. This improves phonic application and fluency.

Paired Reading:  
Take turns reading a page each. This models the reading voice and promotes enjoyment.

Timed Reading:  
Set a stopwatch to see how many words your child can read. Can they beat their score? This builds a child's fluency.

Story time:  
Read a story to your child and just let them listen. Sharing stories promotes enjoyment.

Reading comprehension:  
Use the bookmark to ask your child questions about the section they have read.
