A message from Mr Willson

It has been lovely to welcome families into school this week. Thank you to the parents and family members who joined us for the KS1 Harvest festival. It was lovely to see how proud the KS1 children were of their performance.

Also thank you to all KS2 and EYFS parents who attended open doors.

World Mental Health Day

We have had a great day in school celebrating World Mental Health Day by wearing yellow in school. We want children at Braeburn to recognise the importance of prioritising their wellbeing.

Our PSHE curriculum includes a range of activities which support children's understanding of positive mental health and wellbeing. Including strategies which can be used to improve this further.

Attendance updates

As the seasons change and the inevitable winter bugs start to circulate, we want to work with you to try to maintain your child's attendance at school.

We know that illness is a natural worry, but maintaining consistent school attendance is vital for your child's overall development.

Minor symptoms are okay. For a cold, cough, or a runny nose—we kindly ask that you send them in. These symptoms are normal this time of year and shouldn't cause them to miss out on learning. A dose of Calpol or another paracetamol-based remedy before school can help them feel comfortable and focused throughout the day. Thank you for your continued support!
