

## Ebor Equality Objectives

**The Public Sector Equality Duty (PSED) has three aims:**

We must have due regard to the need to:

**Eliminate discrimination** and other conduct that is prohibited by the Equality Act 2010;

**Advance equality of opportunity** between people who share a protected characteristic and people who do not share it;

**Foster good relations** across all characteristics – between people who share a protected characteristic and people who do not share it.

The following equality objectives were set in autumn 2022:

### **Quality of Education**

1. All learners will have access to the highest quality of teaching and will be able to access a rich, deep curriculum with fulfilling life experiences.

### **Achievement**

2. Our aspiration is to raise outcomes for all pupils, creating a learning environment where all pupils feel supported, rewarded and inspired, accelerating the progress of less advantaged pupils and those with special educational needs.

### **Wellbeing**

3. Foster an inclusive, safe and healthy environment, where everyone can be themselves, give their best and feel proud to work and learn within the family of schools at Ebor Academy Trust. We believe that wellbeing is an entitlement for all. We will embed our staff wellbeing strategy, fostering a culture of nurture, personal and professional growth.

### **School Objective**

4. Aspire to offer a range of cultural capital and enrichment that will be equally accessible for all children within our school community
